**PETITION UNDER 37 C.F.R. §1.181**

**MAIL STOP MISSING PARTS**

July 19, 2004 (Monday)

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants received a Notice of Omitted Items dated May 18, 2004, indicating that Fig. 11C described in the Specification was omitted from the original filing of the application. A copy of the Notice of Omitted Items is enclosed. Applicants respectfully disagree for the following reasons. Please note that because the two-month deadline fell over a weekend, Applicants are filing their response today, Monday, July 19, 2004 (the next PTO business day).

Fig. 11C was, in fact, present with the application when the application was filed on February 24, 2004, as evidenced by the enclosed copy of the date stamped postcard receipt. As clearly set forth on the postcard receipt, the Patent Office received eighteen (18) sheets of formal drawings inclusive of Fig. 11A-11(c). Applicants note that Fig.

11(c) is provided on the same drawing sheet as Figs. 11A-11B. To be more consistent with the written description, Applicants enclose a replacement sheet of drawings in which Fig. 11(c) is relabeled as Fig. 11C. This specific drawing change does not introduce any prohibitive new matter.

Applicants authorize the appropriate Petition fee of \$130.00 under 37 C.F.R. § 1.17(i). However, as the enclosed copy of Applicants postcard receipt indicates, Fig. 11C was in fact received by the Patent Office. Accordingly, Applicants request a refund of the \$130.00 Petition fee, which may be credited to the deposit account identified below.

In the event that there are any matters remaining in the present application, the Examiner is invited to contact the undersigned to discuss this application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. 1.16 or under 37 C.F.R. 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY & PIERCE, P.L.C.

## FORMALITIES LETTER

\*OC000000012694201\*

Date Mailed: 05/18/2004

## NOTICE OF OMITTED ITEM(S) IN A NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

A filing date has been accorded to the above-identified nonprovisional application papers; however, the following item(s) appear to have been omitted from the application:

- Figure(s) 11C described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h))) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

Applicant is advised that generally the filing fee required for an application is the filing fee in effect on the filing date accorded the application and that payment of the requisite basic filing fee on a date later than the filing date of the application requires payment of a surcharge (37 CFR 1.16(e)). To avoid processing delays and payment of a surcharge, applicant should submit any balance due for the requisite filing fee based on the later filing date being requested when submitting the omitted items(s) and the petition (and petition fee) requesting the later filing date.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (*i.e.*, the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the

references in the specification to the drawing figures to correspond with any relabeled drawing figures, is required. A copy of the drawing figures showing the proposed changes in red ink should accompany with any drawing changes. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.

Replies should be mailed to: Mail Stop Missing Parts
